

# 'HUBERTUS HUNTING LODGE'

## Poland's nicest hunting lodge

Peter van Amelsfoort built the hunting lodge in the year 2000 in one of Poland's areas with the greatest abundance of game. With great planning skills, Peter designed a true gem. The estate is 6,000 square metres in size and is in close proximity to Opole, near Surowina amid fields, forests and meadows. Max van Amelsfoort took over the direction of the 'Hubertus Hunting Lodge' in 2014. He and his team ensure the well-being of each hunting guest.

The beautifully located hunting lodge is rightly known as one of the nicest in Poland. Surrounded by a trim and generously designed garden with beautiful sun terraces, arbours and a fishpond, plenty of space for relaxation and recreation is provided.

Up to 22 guests can spend unforgettable holidays in our 'Hubertus Hunting Lodge'. Six comfortable double rooms are located in the main building and in each of the five log cabins.

The lovingly arranged and well furnished with a shower bath.

The parlour in the main building is elegantly furnished and shows an impressive trophy collection from all over the world, which reflects the hunting passion of the van Amelsfoort family.

There, our guests enjoy sitting by the crackling fireplace, reading, talking and exchanging hunting adventures.

In the 'Hubertus Hunting Lodge', we pay special attention to your culinary well-being. Our kitchen team will spoil you in the morning with a rich breakfast of pastries, bread, cheese and sausage specialities, fruit, yoghurt and various egg dishes, as well as coffee, juice and different types of tea. In the evening, you are served excellent, local specialities in a multi-course menu at our long table.

Fresh, local ingredients and our staff's professional skills guarantee that your stay with us turns into a culinary highlight.

At our long table, you will relish, together with us and all hunters, the delicacies of the regional Polish kitchen. An exquisite wine or a cold beer among kindred spirits set the scene for interesting conversations and the comfortable, familiar atmosphere which you will love.

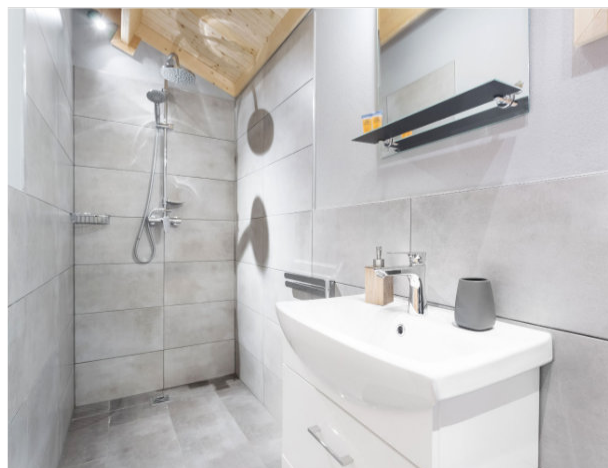

## The five log cabins in the garden

### A haven of peace and relaxation

**T**he five log cabins, built in 2017, are surrounded by blooming beds and greens. Each is designed as a double room with a shower bath. Sophisticatedly furnished with underfloor heating and a small wood-fired oven, they are a refuge to our guests.

The wood houses with their comfortable, covered terraces provide an ideal refuge for relaxation and recreation. The main building is close by so you won't feel excluded. The joint meals for our hunting guests are served at our long table and, of course, all the amenities of the hunting lodge are available for you. Our guests enjoy meeting in the parlour to spend convivial hours amongst kindred spirits.

„The little houses are really cosy and the beds are very comfortable. The meals were delicious and nothing was missing.
